*Subject:* Meeting in October

*To:* Members of the Advisory Committee on Immunization Practices

1. The Fall meeting of the Advisory Committee on Immunization Practices will be held October 15, 1970, at the Center for Disease Control. (NOTE: The meeting will be two days shorter than originally scheduled.) The time will be primarily devoted to a discussion of the current recommendations for the use of smallpox vaccine and to develop a systematic approach toward the handling of suspected cases of smallpox.

2. Please send your itinerary to Mrs. Carol Walters and she will see that a travel order is issued and send you a GTR for purchase of your ticket.

3. I look forward to seeing you in October.

  
John J. Witte, M.D.  
Secretary, Advisory Committee  
on Immunization Practices, CDC
